

Create a comprehensive glossary based on the readings provided. Your glossary should include:

1. **All words highlighted in purple** from both readings.
 2. **Definitions** for each word, explaining their meanings in your own words.
 3. **Examples of usage** for each word in a sentence to illustrate its context.
- (CONDITIONALS AND PASSIVE VOICE)

Make sure your glossary is clear and organized. This will help you understand the vocabulary better and enhance your comprehension of the texts.
